

REMARKS

Applicant respectfully requests entry of the amendment to the specification which is being made simply for the purpose of correcting priority under § 119(e), as reflected in the Application Data Sheet (ADS) as originally filed. In particular, Applicant is merely amending the specification to replace the date October 3, 2003 with the date October 2, 2003. Thus, the present amendment is being made strictly for the purposes of consistency.

Entry of this amendment and the consideration of the foregoing remarks are respectfully requested.

If, however, for any reason the Examiner does not believe that such action can be taken at this time, it is respectfully requested that he/she telephone applicant's attorney at (908) 654-5000 in order to answer any questions.

If there are any additional charges in connection with this requested amendment, the Examiner is authorized to charge Deposit Account No. 12-1095 therefor.

Dated: November 30, 2009

Respectfully submitted,
